Togetherness is . . . . that's what its been for four long years or was it really four short years. Seniors 1975 will now go their own ways, but will always be able to look back to their high school years through the pictures combined in this "Syllabus". Seniors will always remember the floats, ballgames, proms, concerts, meetings, homework, organizations, grades, awards, deadlines, and most of the people who were brought TOGETHER for all these wonderful memories.

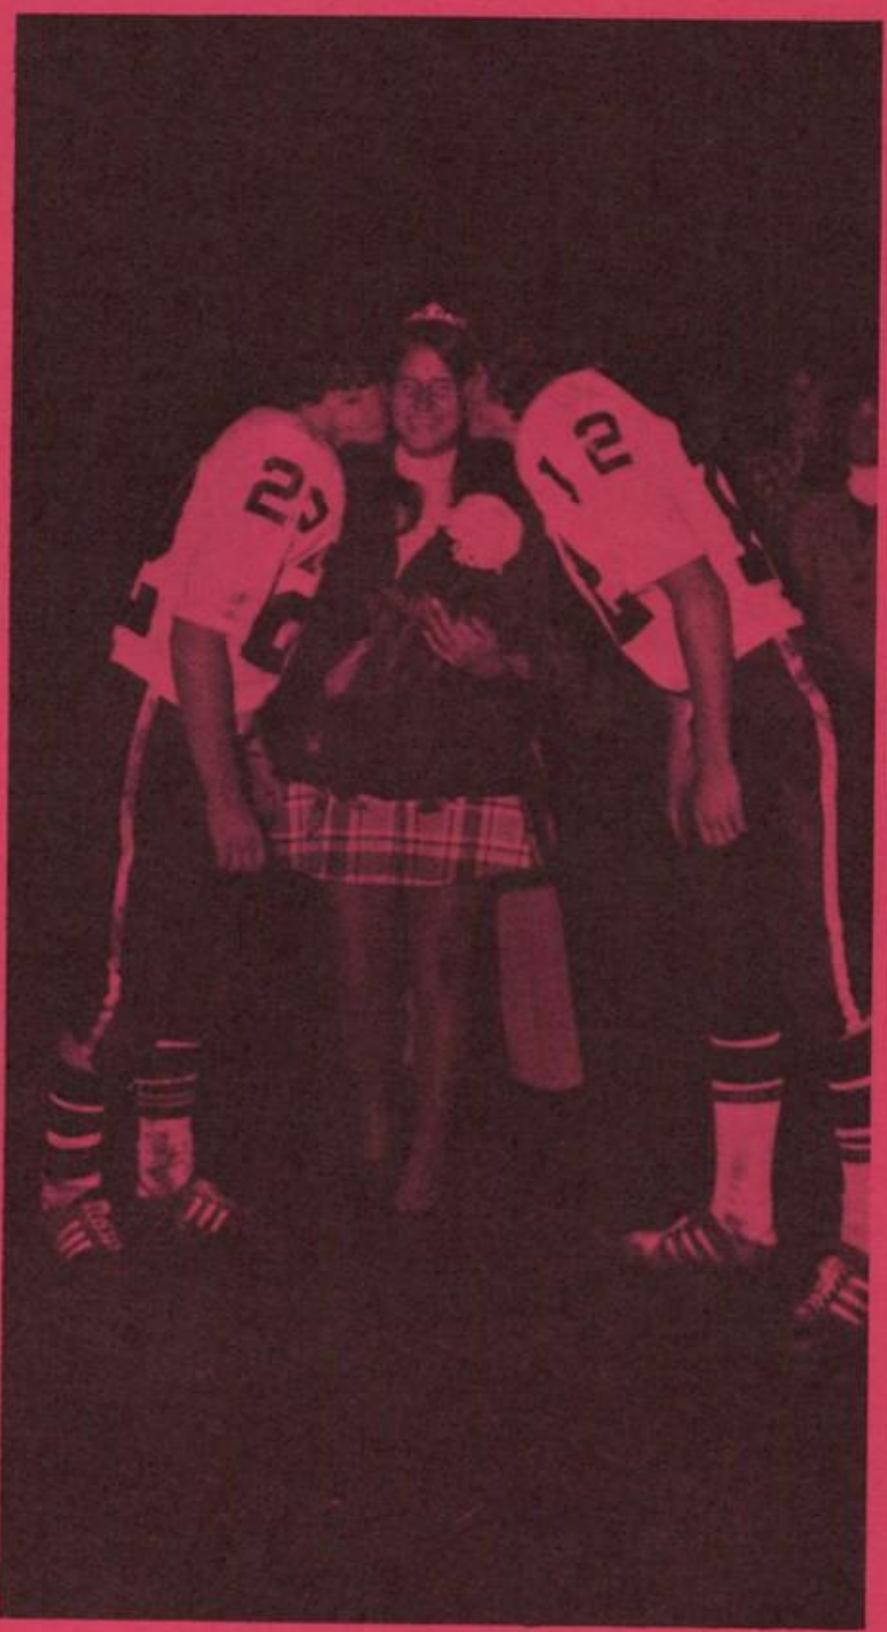
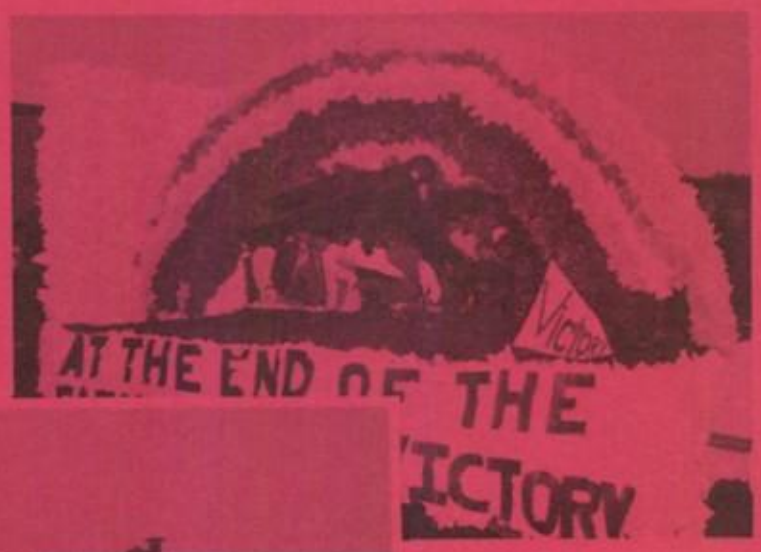
KAREN IS QUEEN AS

Football homecoming 1974 brought the crowning of the queen at halftime of the game. The candidates were Jane Boulden, Karen Kinkead, and Penny Johnson. As the girls waited nervously, it was announced that Karen was the lucky girl. She was crowned by Tom Waitt and Bob Godby. Other members of her court were Junior princess, Brenda Pearson; Sophomore princess, Dawn Nichols; and Freshman princess, Myrna Goff.



TEAM HAS A VICTORY

Homecoming activities included the Powder Puff football games of which the Junior girls were the champs; and the spirit award was given to the Seniors. The float competition became history when the Sophomores were announced winners with their float "Hammerin' out a Victory". The bon fire was set ablaze earlier than expected but with the help of some people it was rebuilt again.



QUEEN MIRA AND HER COURT

At half-time of the exciting Sheridan-Eastern game we crowned our Homecoming queen, Mira Waitt. The other candidates were Jane Boulden and Debbie Inman. Other members of her court were Junior princess, Katrina Bagley; Sophomore princess, Darla Louks; and Freshman princess, Myrna Goff. Later on, Chad Glunt was crowned Homecoming king.

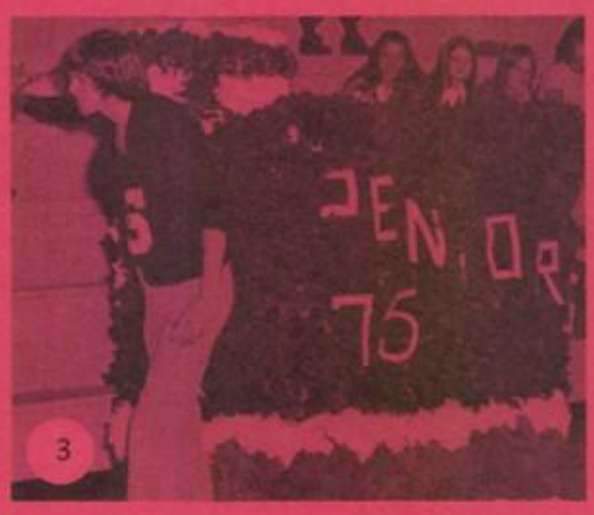
OUR TEAM WAS RED HOT!!

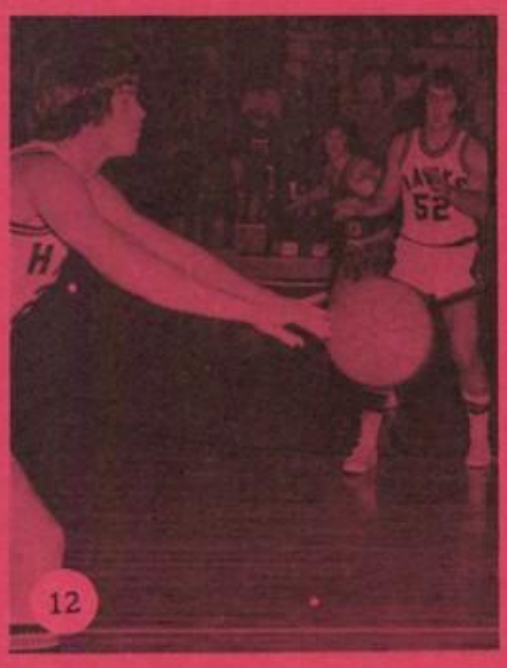
The team was red hot and ready to go the night of Hardwood Homecoming. It was an exciting game.

During the game there were cheerleaders and fans yelling; Hawkettes doing their routine; and the other festivities that go along with homecoming.

One of the festivities, the float competition, was won by the Junior class. Their theme was "Gun Down the Comets". Second place was given to the Sophomores for their float.

The spirit award was given to the class of 1975.





1. Juniors won first place with their float "Gundown the Comets." 2. Hawkettes Valerie and Susan add a little beauty to the game. 3. Seniors want "A Victory Flashback." 4. PROM 1975

The Junior class decided to take the Prom to the Rose Ball Room at Blinks World, which was a very beautiful change from the previously used multi-purpose room. The delicious meal, served by waitresses, (girls from the Sophomore and Freshman classes) had a main course of chicken con don bleu, green beans, and whipped potatoes. For desert, a chocolate roll was served. For beverages, grape juice was offered before the meal; and during the meal, a choice of tea, coffee or milk.

Jody Ottinger played dinner music while everyone enjoyed eating. The band, The Swinging Scots, provided music for dancing.

At about eleven-thirty the queen was crowned. The Juniors and Seniors voted among three girls: Penny Johnson, Jane Boulden and Debbie Inman. Penny Johnson was the one chosen. The other girls and everyone else were very happy for her. All in all, everyone who went enjoyed the Junior-Senior Prom of 1975.

COLOR MY WORLD — THEME

Stunt Night "75" was successful in making money for both the seniors and the Student Council, the sponsors. With the theme "Color My World", and M.C.'s Leslie Newby and David Johnson, Act One started out with Stage BAnd playing. It continued with Laura Strough and Andrea Lyon doing a skit, the Swing Choir, a piano solo by Dan Bell and some Jr. High girls telling about the Twelve Days of School. Julie Gossard and Debbie Stowers sang "Angie Baby" followed by a dance by Debbie Hinshaw. Kevin Faucett played his guitar and sang, then a skit about "Four Leaf Clover" was done. The "Great Demons" closed Act I by singing "Get a Job".

EIGHTH GRADE FUTURE SCIENTISTS

"To have or not to have" that was the question on the minds of the Science teachers at the beginning of school. But the decision was made. We would have a Science Fair, but, with one stipulation-the 8th grade would be the only participants. Chris Rogers and Dale Musgrove won the local Science Fair; and Elizabeth Oberthur went on to district competition.

The Senior Class left for the Senior Trip on Monday May 12. They traveled through Gettysburg, Pennsylvania and Washington D.C. where they saw interesting and extraordinary sights. The days were filled with touring museums, memorials and cathedrals. The same memorials and others, all beautifully illuminated sights, were toured at night.

For all the seniors it was walk, ride, walk, ride. Not much sleeping was being done during the week but on the bus Friday it was "Sweet Dreams" for most.

WINNERS

Money, money, money, that's what the Junior class needed. They sold candles for Senior trip finances needed for next year, also to help pay for the prom they sold candy bars. Most of the spare time of the class of "76" was spent selling. Also the Juniors received awards for their two floats. They received a second on the football float and a first on the Hard-wood Homecoming float.

SOPHS HAMMER OUT A VICTORY

The highlight of the year for the sophomores was probably receiving their class rings, but also getting first place on their float "Hammerin' out a victory." For their princesses they elected Dawn Nichols and Darla Louks. Their sponsors, Mrs. Stahl and Mr. Hudson, were backing them all the way during several different money making projects they had during the year such as bake sales, and a raffle for a basketball.

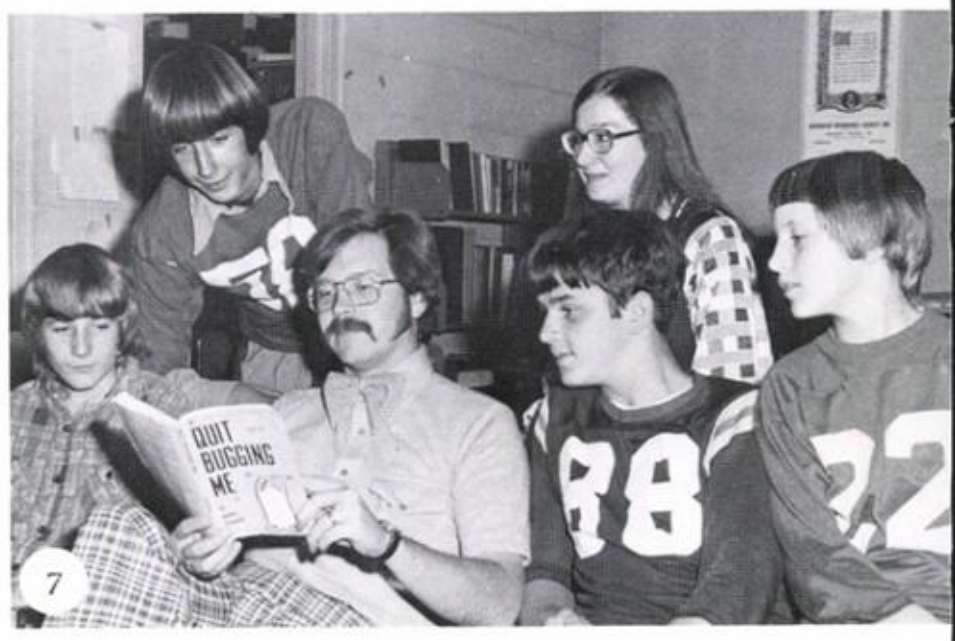
EIGHTH GRADE CHOOSE LEADERS

The eighth grade, along with the help of sponsors Mr. Russell and Mr. Barker, experienced their second year at MAHS. They and the seventh grade had a convo where classmates Lisa Butcher and Beth Waggoner accepted a pennant for the school with the word "PRIDE" (Governor's Energy Conservation Program) on it.

1. Eighth Grade Officers. SITTING Pres. Kathy Kinkead, STANDING LEFT TO RIGHT-Sponsor, Mr. Russell, V. Pres. Dinah Bennett, Sec. Lisa Butcher Treas, Cindy McKinney, Sponsor, Mr. Barker. 2. Who tickled Leann? 3. Futu Scientist maybe? 4. Gobble, Gobble, Gobble. 5. Go Team Go!

SEVENTH GRADE ELECT OFFICERS

With Mrs. Schobert and Mr. Gibson as sponsors, the seventh graders spent the year 1974-75 as new-comers to the high school. They elected officers, found new friends, and found out just how short three minutes between classes can be at times!



6. Clap your hands! 7. Seventh Grade Class Officers. SITTING LEFT TO RIGHT-Sec. Robbie Louks; Sponsor, Mr. Gibson; Pres. Jeff Burgan; Treas, Gary Goff; STANDING: V. Pres. Danny Singleton; Sponsor, Mrs. Schobert. 8. And the Band played on. 9. Future Deamons? 10. It's like this, Mr. Cook, #Pes. x T" x W" x L'.

MAHS HEAD TORCH BEARERS . . .

School Board: Mr. Grinstead, Mr. Wallace, Mr. Pence, Mr. Evoy, Mrs. Nicholsen, Mr. Walker

H. Evoy, Pres. of Board

We should be grateful for the Administration of MAHS because they led us through another school year. They listened to problems such as "I'd like to change my schedule" and "I don't know why I've been sent to the office." And they usually found solutions to them.

O.E.A. BOASTS STATE HISTORIAN

The Office Education Association with Debbie Hinshaw and her corps of officers accomplished a great deal this year. Parties, displays, contests, contest winners, National OEA Week, State Convention, and their Annual Awards Night were just some of the things done throughout the year. Teresa Blackstone placed First in typing at the regionals and competed at State level where she placed First again! The chapter was also luck to have a state officer this year, Terri Linton was the State Historian.

At the Annual Awards Night gifts and thanks were given to all the officers and Sponsors. Reverend Reginald Monson, Chaplin from Indiana Central College, gave a talk on the problems of youth today. Mrs. Brimberry presented Debbie Hinshaw with the "Most Outstanding Member" award to complete the evening.

A CHANCE FOR GROWTH

The Marion-Adams FFA set many records this year. They started off by ranking thirteenth in the state for 1974 out of 207 chapters. And in their sales of citrus and seeds they also did better than ever before. At their banquet in January, they had a record attendance of 255 people. As far as awards go, we had seven awards won at the District Five Leadership Contest. We also were lucky enough to have two teams go to the state judging contest. The FFA took an trip to Purdue for the state convention. Some of the chapter members went to Kansas City for the national convention. An award trip was also taken to the Ozark Mountains. Also there are more members eligible to go on next years award trip than ever before.

We have all these things at MAHS including teachers, Mr. Harris, Mr. Bowman, Mr. Terhune and Mr. Ross. So if you enjoy Science, there is plenty to learn about it.

2-Is Terry another Einstein?
3-These four eighth graders read instructions for the next experiment.
4-Mr. Harris is making an assignment.
5-Mr. Bowman questions Robin and Renea on why they have the same answers.

POPULAR SUBJECTS AT MAHS

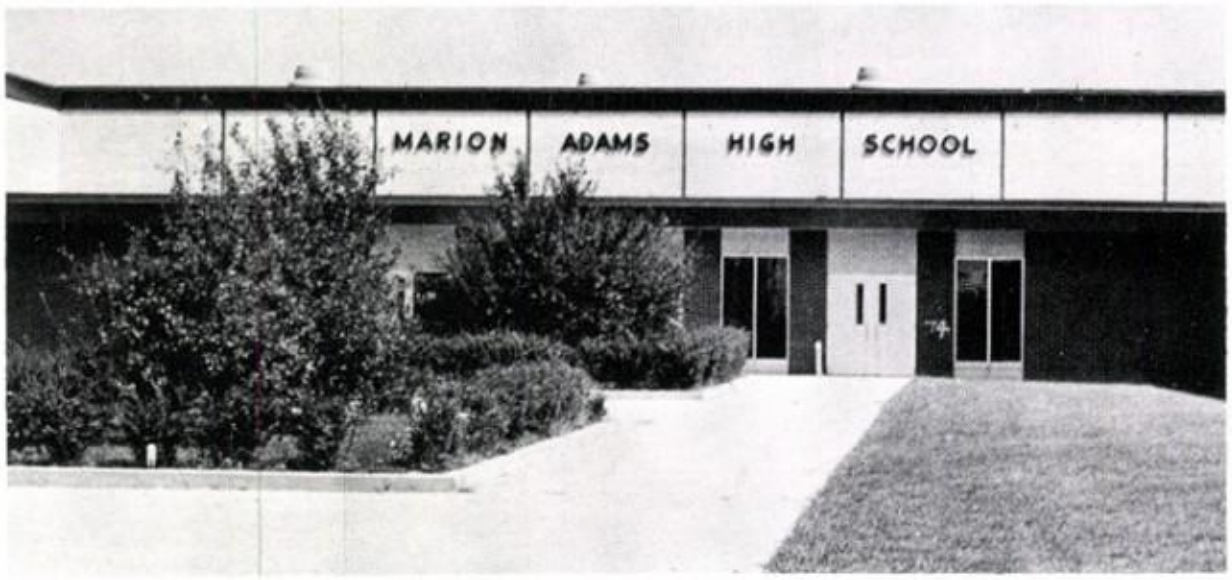
YOU'RE ON CANDID CAMERA



Togetherness and willingness to work made working on the syllabus an experience. Thanks to all who made "Togetherness in the year of '75 a success.

The syllabus for the year of 1975 has-come to an end. Remember all of the pleasures and joys for the students who have been together from grade 1 to 12. Remember togetherness we felt when the change over from Marion to the Big town of Sheridan occured. To the Sheridan Students, remember the togetherness you felt when you went from the elementary school over to the High School.

In compiling this annual it has been our constant aim to retell between its covers an attractive and interesting way the story of the varied and diverse fields of high school life. We are deeply conscious of its many shortcomings, and our only apology is that "we have done our best".

Before "Togetherness in the year of 1975 is finished we must pause and extend our gratitude to those people who helped in making it possible. I would first like to thank Mrs. Virginia Reed, our yearbook advisor, for her encouragement and determination throughout the year. Second I would like to extend appreciation to Mr. Robert Maurer and the American Yearbook Company for their assistance. I would also like to thank Mr. Clarence Downey and the Ayres Photo Reflex Studio, the official photographer for the yearbook. Last, but not least, the merchants and patrons who made "Togetherness in the year 1975 possible; And the faculty and Administration for their understanding and patience. Also, I wish to thank those on the staff who made it possible to compile "Togetherness in the year 1975" into a book of memories.
